

## Hebrews 9:12-14 - The Blood of Christ Obtained Eternal Redemption

This passage reveals the truth about the work of the ‘One Mediator between God and man, the man Christ Jesus.’ (1 Tim.2:5). At the heart of the Atonement, we have the “**blood of Christ**” who through the “Eternal Spirit” offered Himself without spot to God. In other words, the Holy Spirit enabled Christ to lay down His life for man, as the ‘spotless **Lamb of God**. This is reference to the **Cross**.

The **A** verses are parallel thought verses, both dealing with Christ’s ministry in the **Holy Place**. In the first A statement, Christ entered in with His own **blood**, into the **Holy Place**. The last A statement reveals what the **blood of Christ** does through the Spirit—purging our conscience from dead works so that we may serve the living God. This is the work of sanctification which enabled Christ to offer Himself. He gives it graciously to us as a benefit of His atoning death. Thank you God.
