

Walk While You Have the Light

John 12:35, 36

A. Walk

B. while ye have the Light

C. Lest darkness come upon you

C. he that walketh in darkness knoweth not
whither he goeth

B. while ye have the light

A. Believe in the Light

The A Statements are matching in the sense that the one explains the other. "Walk" means to believe in the Light. The pinnacle C Statements reveal what happens to souls who do not walk in the light. I think the Lord said this as an incentive to stay in the Light.
