Temple was Cleansed

"In the eighteenth year (20-19 B.C.) of his reign Herod rebuilt the Temple on a more magnificent scale. There are many evidences that he shared the passion for building by which many powerful men of that time were moved. He had adorned many cities and had erected many heathen temples; and it was not fitting that the temple of his capital should fall beneath these in magnificence. Probably, also, one of his motives was to placate the more pious of his subjects, whose sentiments he had often outraged." <http://www.jewishencyclopedia.com/articles/14304-temple-of-herod>
