

The Seal of the Living God

This mightiest of angels has in his hand the seal of the living God, or of Him who alone can give life, who can inscribe upon the foreheads the mark or inscription, to whom shall be granted immortality, eternal life. It is the voice of this highest angel that had authority to command the four angels to keep in check the four winds until this work was performed, and until he should give the summons to let them loose. {TM 444.3}

A The mightiest of angels has

B in His hand

C the seal of the Living God—of Him who alone can give life

C¹ who can inscribe mark upon forehead—to whom shall be granted immortality

B¹ It is the voice of

A¹ this highest angel that has authority to command four angels to hold 4 winds

—until sealing work is performed

—until summons is given to let loose

Here we see this mightiest of angels in mirror like fashion and following the principle of repeat and enlarge, tie the seal with the God who alone imparts eternal life. What an awesome work, yet how few of God's people are cooperating with divine intelligence to receive that seal.
