\*This passage is full of significance, but it is beneath the surface. Only the discerning reader will perceive a deeper meaning of these words, "He was caught up to God and to His throne." The Ascension of Christ to the throne of God reveals much truth about the Son of God as our High Priest. This is why the book of Hebrews was written, so that as Daniel prophesied in Daniel 9:24-27, the Father would "anoint the Most Holy", referring to the Sanctuary in heaven, when Christ's High Priestly ministry began in 34 AD in the Holy Place.

It is this ministry as our High Priest, that gave victory to the brethren in Rev 12:11 who overcame "by the blood of the Lamb" and "the word of their testimony". Praise God for the book of Revelation He has given us.
