1. When the “Lion of Judah /Root of David” (who is the Lamb) took the book, the living creatures and 24 elders fell down before the Lamb
2. If you look closely at the pinnacle point of this chiastic structure (G), you will find the Lamb having seven horns and seven eyes which are the Seven Spirits of God. It is intriguing to learn that these 7 Spirits line up with the seven attributes found in verse 12 (B). [Click here](#) for a deeper study on it. The Lord wants us to cooperate with those “7 Spirits” so that we will grow into His perfect character.
